Use of Napton tennis courts by junior members (Court key supervision)

Napton Tennis Club does not provide supervision of youngsters whilst they are using the facilities.

Parents should therefore make their own arrangements to organise the level of adult supervision they believe is appropriate for their children.

If your child is 16 or under you can pay a £10 refundable deposit and have a court key but we ask that you sign below to confirm that you will take responsibility for your child's use of the courts. This means not allowing non members to play, ensuring that the gate is locked and the nets put down and making sure the courts are left clean and tidy after use.

.....

I (name of parent /guardian) would like to have a key for the tennis courts for my son/daughter (name of child).

I accept that I am responsible for my child's use of the courts.
